In our attempt to service all our customers, it may be necessary to deliver before 8 AM or after 5 PM especially during peak delivery season. We will make every attempt to accommodate your business hours if at all possible. Our driver is responsible for delivering the product and taking it off our racks, but you and/or your staff are responsible for moving it to your storage or display area. This will enable us to service all our customers in a timely manner and keep your delivery on schedule. We allow approximately 15 minutes per rack to unload; if unloading takes longer, additional charges will be incurred and invoiced separately. We appreciate your cooperation in this matter. Damages relative to transportation and/or temperature must be reported to Galema's Greenhouse within 24 hours of delivery; all other claims within 48 hours. Pricing and fees subject to change without notice for corrections and necessary market adjustments.

## Customer Pick Up

Pick up orders are always welcome at Galema's Greenhouse, and there are no minimums on orders placed for pick-up. You **MUST** have your order placed 24 hours prior to pick up. No Exceptions. You may schedule a time to come to view the plants, but no orders can be pulled at-once.

Since several items in our production area are grown on commitment, **we do not allow self-service.**

Pick up hours are Monday 1 - 5, Tuesday through Friday 8:30 - 5, Saturdays by special arrangement.

**ORDER DUE DATES:** We're happy to custom grow items for your landscapes provided we have adequate time to acquire the inputs needed to produce them. Any custom grown orders need to be placed no later than **February 19th** for delivery in mid to late May.

Fundraisers are an important part of our business. In order for us to plan for the best order fulfillment, final quantities must be turned in to us by Friday, **April 15th.**

**TERMS:** New customer purchases are C.O.D. Credit applications are available upon request and will be considered after a one-year relationship has been established. Invoices are due net 30 days from date of invoice and are payable from the invoice, monthly statements may not be sent. Finance charges of 1 1/2% per month will be added to unpaid balances. All expenses incurred for collection of outstanding balances will be at purchaser's expense.

**AVAILABILITY:** Your previous year's order will serve as your tentative order for the next season. If we have not heard from you by March 20th, all items unspoken for will be listed as available for sale. Orders are met on a first come basis depending on availability. We will honor orders based on your verbal or written commitment. We then remove these items from inventory and consider those products being SOLD to you, the purchaser.

NO CANCELLATIONS OF ORDERS WILL BE ACCEPTED AFTER PRODUCT HAS BEEN PLANTED.

**Quantity discounts apply to PRE-BOOKED ORDERS only, no retroactive credits will be issued. Acceptance of product implies agreement of these terms.**
