Ferns * Ivys * Spider Plants

Who are we?

Galema's Greenhouse is a premiere wholesaler of young and finished plants. Horticulturist Tim Galema received his education at Purdue University and started the family business 25 years ago in West Lafayette, Indiana. Tim, along with his wife and parents, have worked diligently to take a passion for horticulture to the next level. By adhering to the business principle, grow quality plants for competitive prices in desired quantities, Galema's Greenhouse currently ships plants to retailers, landscapers and garden shops in the midwest and beyond.

Supplies

We will supply promotional and ordering materials for your Healthy Habits plant sale - personalized with your group name at no additional cost. Materials include:

Order Forms - Our order forms make taking orders easy! We provide a master order form ready for printing. Your customers will enjoy the great plant selection and learning more about Healthy Habits.

Posters - Our colorful Plant Sale posters will help spread the news about the sale and the benefits of growing! We provide a tabloid size master poster ready for printing.

Education

Dedicated to children, education and horticulture, the Healthy Habits Fundraiser provides Galema's the opportunity to share knowledge - plus instill a passion for growing in today's youth. A simple web search can easily provide teachers with more information on the health benefits of plants to enhance the learning experience in the classroom. Plus, a guided tour of Galema's Greenhouse is available to school groups to "grow" the excitement!

Be Happy

Plants enhance moods, reduce illness and increased self-esteem! Select from these popular flowers in decorative watering can containers.

Geraniums * Begonias * Zinnias

Got Chips?

Grow it, eat it and improve your physical health with tasty vegetables! Select from these popular 12 pack vegetable flats.

Tomatoes * Peppers

What's Healthy Habits?

To help celebrate 25 years of growing, Galema's Greenhouse is launching a Healthy Habits Campaign. The campaign goal is to promote how plants and planting can improve personal and global health. The Healthy Habits Fundraiser is a great way to educate your community and raise funds. This plant sale is easy to host and offers quality plants to your friends and families.

Timing

We custom grow all Healthy Habits plants for your sale which means the program timeline lasts a few months. We request groups commit as early as possible - as greenhouse space is limited.

February - Commit to Healthy Habits!

March - Receive customized materials and sell plants.

April - Send Galema's your total order and payment.

May - Plants delivered. We will work with your group to schedule the best time (usually in early May).
