Brocade Cherry Night - By Dummen Orange

Brocade Fire - By Dummen Orange

Brocade Fire Night - By Dummen Orange

Chocolate Mint

Scented: This plant has a Chocolate-colored vein that runs down the rib of the leaf and fans out into its fingers. The almost Black variegation fades to a rich Green as summer progresses. While this plant has a rich minty fragrance, it does not smell nor taste like Chocolate.

Citronella

Scented: Dramatically lobed leaves; strongly scented snowflake foliage often promoted as an insect deterrent.

Ginger

Scented: Softly scented of Spice.

Indian Dunes

Fancy: Mounds of scalloped Chartreuse leaves with Bronze centers, complimented by an Orange/Red bloom.

Mrs Pollock

Fancy: Large tricolored leaves with double red blooms. Occold Shield

Fancy - Deer resistant and drought tolerant featuring yellow leaves with dark brown centers and orange-red flowers.

Old Fashioned Rose

Scented: This plant, of medium height, has Gray-Green strongly indented leaves, a nice Rose scent and Lavender flowers. The most important scented pelargonium for the commercial production of Rose-geranium oil, it is also used in jams, jellies, and potpourri.

Peppermint Rose

Scented: One of the best all around Scented Geraniums. It is also nice because it doesn't get as large as some of the other scented geraniums which makes it a good size for smaller gardens and large containers; add in occasional light Pink flowers and a Minty-Rose fragrance.

Persian Queen

Fancy: Golden Geranium grown for the glorious pure Yellow Ochre rounded leaves. Striking as a "spot" plant, even if not full of its vivid Hot Fuchsia single bloom.

Petals

Fancy: Single Pearl eyed Soft Pink lightly colored bloom clusters fading to Pinkish-Mauve over Silvery-Green upcupped irregularly outlined leaves brightly margined Ivory; compact habit.

Pink Happy Thought

Fancy: Cream centers with Dark Green margins and Pink bloom.

Platinum

Fancy: Salmon toned single Scarlet bloom arise above the quite odd waffled Pale Milky Green rounded leaves with evenly cut Creamy White margins; wide oddly angular mounding habit.

Red Happy Thought

Fancy: Cream centers with Dark Green margins and Red bloom.

Red Rosebud

Double: Petite clusters of bloom that look like Nosegays in a Bright Lipstick Red.

Vancouver Centennial

Fancy: Star shaped flowers with pointy two-toned lobed leaves.

Wilhem Languth

Fancy: Soft Green and White variegated foliage below attractive Red bloom.

Galema's

Citronella Program

Scented Geranium—Citronella *Pelargonium citrosum*

Galema's has been offering *Pelargonium citrosum* citronella since 2002. Our heirloom selection is distinctly different from many other citronella selections currently available from other sources. *P. citrosum* is a unique geranium, with strong citrus-scented, deeply-cut leaves. Our citronella selection is more vigorous with more intricately fringed leaf margins and a more open growth habit. All citronella from Galema's Greenhouse is taken as cuttings from our carefully managed stock plants that are reselected each year to maintain selection characteristics, vigor, and freedom of known pathogens. Citronella is one of our most sought-after scented geranium varieties.

Ornamental Uses:

Distinct citrus fragrance repels mosquitos, black flies, and other biting insects. Leaves are bright green, deeply serrated, and quite attractive alone, though occasional delicate pink flowers add to it's beauty. Great for containers or pots, which can help contain it's rapid growth.

Light Requirements: High light

Zones: 10-12

Finished Sizes: Great in 4.5", 6", 8", and 10-12" patios

Mature Height: 24-30"

Bloom Time: Spring to Fall

26 strip Citronella liners
